

Gateway Community Service Board is a National Health Service Corps (NHSC) approved site for tuition reimbursement for selected positions in the Health Care field .Certain requirements for tuition reimbursement must be met by existing employees as well as newly qualified applicants joining Gateway’s workforce. Licensed psychiatrists, psychologists, nurse practitioners, professional counselors, marriage and family therapists, and clinical social workers with outstanding student loans are eligible to apply for partial student loan repayment in exchange for a service commitment with the agency. Go to <http://nhsc.hrsa.gov/loanrepayment/> for more information.
